Congratulations to our star of the week Floyd! Floyd is having a great year in our classroom. He is mastering how to solve double digit subtraction problems with regrouping. Floyd is also improving in reading comprehension. We are happy to have you in our classroom this year Floyd! Fantastic job this week Floyd!

In social studies, we learned about what a need and want is and what we need in order to survive.

On Friday, we went swimming at MHS. The students had a great time swimming and visiting with the older classroom's students.
